Subject: Contract

25X1A

Dear Sir:

Confirming the conversation between our [redacted] and your 25X1A [redacted] on January 12, 1960, we hereby request authorization to conduct a demonstration in our plant of the First Nadir Determination Device (GIANT) being built on the subject contract. We would like to demonstrate this unit to a small group of people who would be invited to view its operation.

We would make no reference to the purchaser of this equipment.

Should this request meet with your favorable response, we would plan to conduct the demonstration during the week beginning February 1, 1960. As this would have to be preceded by the issuance of invitations, your earliest reply will be sincerely appreciated.

Very truly yours,

25X1A
